Volume X, October 2013

Bruce Ullom, Director

We just finished our benefit ride and, even though it was wet, it was a successful event. We have to give a ton of thanks to our Activities Officer Barb Krieger. This fund raiser for the toy runs could not have happened without all the support of our volunteers. Thank you all so very much.

It's getting to be that time of year when the days are getting short and the rain is starting to show. We had a good summer and a ton of great rides and, looking at our calendar, we still have plenty left.

Fast Fridays at the fairgrounds - What a night! Our Assistant Director Pete Rau put on a good one. I hear some are still getting the clay off their bikes. The ride to Lassen was another good one. Dave McNabb is going to make this an annual event. Let's not forget to check out our calendar for future rides and events. There is still a lot going on.

At our October meeting we will be taking nominations for board positions for the upcoming year. Please try to make this one. It is important to the Club to get your candidates nominated. Elections will be held in November. Candidates must make both meetings in October and November to qualify for these positions. Volunteers are important to the Club. To keep this Club successful we must have members to step up and volunteer to take on the responsibility of a board position.

Let's not forget to sign up for our annual Christmas Party at the next general meeting. The party will be the 7th of December and is always a great time. I have always enjoyed the White Elephant gift exchange. Try to see Barb Krieger and she will take care of you

As always, ride safe.

Your Director, Bruce Ullom

Pete Rau, Assistant Director

Greetings and salutations, fellow club members!

Fall is here and it's a great time to ride! We have had a lot of great rides and events and will have many more this fall! As acting assistant director, I will work hard for our club. Jay's act is hard to follow, but I will do my best! I'd like to take this opportunity to thank you all for your help on the rides and at the events. Your participation really does make things better!

It's a pleasure riding with You, Pete Rau

Barbara Kling, Secretary

Hello Gold Country Harley Members,

It's been a pleasure serving you as secretary for the past two years. I've enjoyed volunteering for this motorcycle riding club. This has been such an incredible year, with so many memorable rides and events. I've also had the pleasure of meeting many new members and guests. Next month nominations will take place at our general meeting. I hope that if you're interested in taking part of this fun group that you will step up and volunteer, or become a board member.

Hope to see all of you at our annual Christmas party.

Ride safe and have fun! Barb Kling, GCHR Secretary

Janis Rau, Treasurer

Hi,

I am Janis, the new acting treasurer. With the exception of the day of the Benefit Run we have had some great riding days. Just got back from ride through Downieville to Reno and it is a beautiful ride and the company was good. I hope you have had a chance to get out on the road and enjoy the beauty of the land around us.

Stay safe

Janis

Gary Kling, Safety

Hi GCHR's,

It's crazy to think summer is behind us as we ride into fall. As the days become cooler and sometimes wetter, we must be prepared for the rides ahead.

Where is your rain gear? Keep it on your bike year round. Besides keeping you dry, they can also add a layer to stay warm. Winter gloves are also important. I found mine on the bottom of my saddlebags. Also, have a winter helmet available. Mine was a life saver on the wet ride home from our Benefit Ride. We'll talk bike safety at our October meeting. Help me welcome our three new apprentice Road Captain's; Don Bachman, Howard Mordell, and Charles Stuart. Their assistance will be greatly appreciated. Please come out and support them!

Ride Often and Ride Safe,

Gary

Sue Rhodes - Membership

First and foremost, a big shout-out and thanks to Cathryn Hutchinson as our Membership gal this year. Cathryn and Jay have started a new chapter in their lives in Boise, Idaho. We wish them and their family all the best.

For the rest of the current year, I will try to fill Cathryn's "BOOTS".

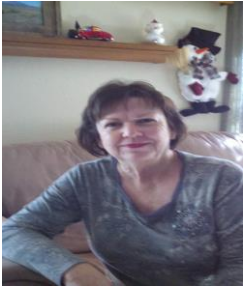

As the month of September came to a close, our membership was at a total of 128 members. The new members are listed in the newsletter, so introduce yourself when you see them and welcome them to our GCHR group.

The September roster was sent out, so please check your info and if there are any corrections or changes, please drop me an email at Lthse88@wildblue.net and I will update the roster.

Look forward to seeing each of you at the next ride, or monthly meeting.

Sue Rhodes

Barbara Krieger, Activities

Fall is in the air as we experienced at our annual Gold Country Harley Riders Benefit Run. Yes, it did end up raining but it didn't dampen our spirits. For those who volunteered and came, I thank you for standing in the rain beside me. I couldn't have done it without you. It was a low turnout but we did manage to make money to donate to the children in the Auburn and Nevada City toy runs. There will be smiles all around because of your support. For those of you, who have not experienced the Christmas toy runs, please come out this year. The smiles and joy you bring to the children are heartwarming and good for the soul.

Many of our local children have a very meager Christmas, so every little bit helps.

As the year comes to a close we're all looking forward to the Christmas Party. This year it will be a new venue. We will be gathering at the Auburn Valley golf club. The club will be paying your corkage fee so you may bring your own wine. Please note you may only bring in wine; no other beverages. There will be a no hosted bar where you can purchase a mixed drink if desired. Please bring a \$10.00 white elephant gift for our gift exchange; it's always a lot of fun. Tickets will be on sale at the general meeting. The dinner price is \$32.00 per person. You can pay by cash or check.

For the last two years it's been my pleasure to be your activities director. I thank everyone for your support by coming out on each ride and volunteering. A club is not a club without people like you. We have the best club in the area and I ask you to support the next elected activities director.

Barb
Activity Director

Carole McCallum, Web Queen

Hello GCHRiders!

This will be my last newsletter write up...your Web Queen is retiring after four years. I am however turning the task over to very capable hands. Our new Web Man is from within...Bud Hausman [Budman]. We are very lucky to have him to take over and I expect many improvements. Bud is more than capable!

It has been my pleasure to have been able to design and maintain the web site for our group. When we started this venture...in June of 2009...we had 35 charter members. Now we have 125! Wow! Keep up the support for Bud - it is the best compliment you can give him.

It is 40 degrees outside right now - here in Tahoe for Street Vibrations. Winter is on its way. Don't forget our Apple Hill Ride October 26th [weather permitting].

Ride Safe!!

Carole

Linda Wyrosdick, Editor

Hi everyone,

Fall is my favorite time of the year. I enjoy riding where the leaves are changing colors, being from Minnesota it reminds me of home.

What could be more fun than riding during the day and coming home to a big crock pot full of homemade chili?

Let's ride

Linda

Danny Hansen- Past Director

Hello Fellow **GOLD COUNTRY HARLEY RIDERS,**

Another year is closing, which was a good year of new Members joining our club. Very Nice! My name is Danny. I have not shown my face to many of you new members. I have been very busy with work and I am sorry for not being there. The rest of the club are great friends of mine and I do hope to see you soon.

With the summer dying down and the winter coming up fast, there is plenty to do with our club. Elections for the New Year, plenty more rides, Our Christmas party, which Barb Krieger sets up and does a very fine job. Do not forget about Auburn Gold Country Food and Toy Run. This is a real fun time watching all the Children and Families enjoy you Bad Bikers coming and giving your hearts to the event. We have a New Year's Day ride we put out every year. The last two years was almost T-shirt weather. I would very much like to see you there for that day. Remember too always ride safe and get that Harley ready for the winter.

Yours truly,

Past Director/Danny
