Another year has ended and another great year is shaping up already. Gold Country Harley Riders are coming up of their 5th year. Only you make this club what it is and it is all good. Thanks to you all for being a part of it. We have a good year ahead of us, such great enthusiasm on the Board, of course driven by you. Looking forward to **2014!**

Thanks to Bruce for your Service the last 2 years!, Danny Hanson

Pete Rau, Assistant Director

Hi Fellow Club Members!

I hope you all had a wonderful Christmas! I would like to thank you for this opportunity to work for our club and I would like to thank last year's officers for their awesome job! We had lots of great rides and events last year! I'm really looking forward to this year. We already have some great things planned.

Let's Ride, Pete

Patrice Goulet, Secretary

Greetings from Patrice Goulet; Happy New Years to all...Just wanted to say that I am very pleased with this new group that I have joined less than a year ago and have now taken over the position of the Secretary, this will give me an opportunity to get to know everyone and put names with faces. I am looking forward to enjoying more rides to lots of favorite places; a few of my favorites are Downieville, Sierra City, El Dorado Wine County those are just a few of the back road adventures that Vince and I have share over the past three years together since I started riding as a passenger. My favorite time of the year to ride is in the Fall when the trees are in beautiful colors. I am a Colfax native; attending both the Elementary and High School and went on after graduation to work at Colfax High School for 26 years as a school secretary, then resigned and went on to start a business known as Buzz thru Joes of Colfax (drive thru espresso shop) sold that business 5 years ago in January, and now working full time for a Vehicle Licensing Consultant as a Consultant Specialist for the Commercial Trucking Industry for which we working very closing with CA DMV. My heart does belong to another club know as Soroptimist International of Colfax, which is an organization for women in business, and been a member since 1981 and held many board positions, including recording secretary for many years.

Looking forward to an exciting NEW YEAR 2014 of safe riding and new adventures.

Craig MacFarland , Treasurer

Craig

Sue Rhodes, Membership

Happy New Year to All the Gold Country Harley Rider members

2013 was a great year as we ended with 135 members that represented 26 cities in the surrounding area.

Welcome again to each of you that joined in 2013.

2014 is the start of a new year, riding adventures to old and new destinations and sharing the road with friends throughout the four seasons. That is the beauty of living and riding in and around the Foothills.

Becoming the membership chairman midyear gave me the opportunity to enjoy the friendliness of the members. Meeting and welcoming new members has been an absolute pleasure.

Remember we were all new members at one time, so take the time to greet and make our new members feel welcome.

Do you have any new ideas for club membership, suggestions for fun rides, places to eat, activities, safety, web feedback, let us know. Remember this is your GROUP.

BIRTHDAY- If it is your birthday month, attend our meeting and your name will be entered in our monthly birthday drawing. You never know you could win dinner at Hooters, coffee at Starbucks or home improvement like Home Depot.

REMINDER- Membership renewal is DUE. If you have not paid fill out a completed form, pay the dues and turn it in to stay on the roster.

ROSTER- updates, changes any "oops", let me know.

I look forward to seeing each and every one of you at the meetings and rides.

Ride safely and see you on the road

Sue

Bud Hausman, Web Master

Hello Gold Country Harley Riders!

This is my first newsletter and I am excited for the coming year. I want to thank Carole the web queen for all the hard work she did starting and maintain the website. In today's world the best form of advertising is still word of mouth but in this face pace world we live in the internet is the only way to get information out in a timely manner.

The group is continuing to grow thanks to all the members. Any general thank you' as it comes in will be posted to the new general forum. We also have a new Members forum. Members comments will be posted to the member's forum as they arrive remember to keep it positive.

You will see many changes happen to your website over the next year to make it more user friendly and I will apologize in advance for any misspellings as I sometimes miss things.

I hope everyone had a great holiday season and that the coming year brings us all exciting and safe rides.

Your web man the Budman

Bruce Ullom, Past Director

I can't believe it's been two years. How time flies! I would like to say how much I have enjoyed being the Director of the Gold Country Harley Riders. This Club has added so many new members it's hard to believe. I would also like to thank the many Board and Past Board members for the great effort put forth to make this Club what it is. We have had a lot of members step up to support the Club as well as Road Captains putting on rides each week and all the volunteers stepping up to make our group

activities and events happen without a hitch. The 2014 Board looks to be a good one and the group will be in good hands.

I wish all a prosperous New Year.

Thank you very much,

Your Past Director, Bruce Ullom
