Bruce Ullom Director

Hi All!

Riding looks good for all our Road Captains. The weather has changed, the temperatures seem to be getting warmer and lots of rides are going on.

It is great to have all these rides going on and seeing you out on your bikes. Over the last few weeks Dave Perkins did a ride to the Road Trip Bar and Grill, Howard and Pete did a ride to 36 Handles, and Peggy went to the Highway House in Jackson. Recently Kim Weber took a large group to the River's Edge Pub in Marysville. Great ride Kim! Next up will be Bud Hausman's ride to the Buttes.

The General Meeting's attendance is getting larger each month. If you haven't made an appearance there, it is time to come to a General Meeting and have a good time.

TOPAZ LAKE ~I have had to change the dates for my overnigher to Topaz Lake Lodge from July 15th to July 22nd as Topaz Lodge was booked up for that week. The new dates are July 22 & 23. We will do a day ride on Saturday from the Topaz Lodge to Twin Lakes for lunch. Rooms are held at the Topaz Lodge reservation number 775-266-3338. You must reference Gold Country Harley Riders. The room rate for GCHR is \$109 +tax for night. Book soon to guarantee your room.

I would also like to give a shout out to Carlo and Emma at C&E for all the gift certificates they recently gave to our GCHR Club for our Raffle.

Polish the Chrome, Let's Ride.

 Our Club

He started talking. As usual I was wearing one of my Harley t-shirts, so as the conversation

went on it worked around to motorcycles and the fact that he also had a Harley.

After a little more talking I started telling him about our GCHR club and invited him to a meeting. Charlotte had a business card, so we gave him that and gave him my number. Seemed like a good guy. Now I know you are wondering why I am telling you this. The reason is there are a lot of local Harley people out there that don't know about us and the best way to get some good members is to tell them about us and invite them to a meeting. They won't all come out but at least some will.

We are now into some of the best riding of the year, and there are some really good rides on the schedule. Check the calendar and come out and ride.

Let's Ride, Dennis

Kim Weber
Safety
& Raffle

We started out the year with some great rides and have more on the calendar. We also have some fun

overnighters in the works. Expect to see information about hotel reservations posted soon.

Please check the calendar often for upcoming events. And remember, road captains are always open for destination suggestions. Speak up!

Kudos to Jeff Johnson who just started road captain training. We can always use more help and fresh ideas. Please let me know if you're interested in becoming a road captain.

At the General Meeting April 13th, the safety topic will be a quick refresher on some group riding fundamentals.

RAFFLE ~ (Changing hats) This month's RAFFLE will be extra fun. We have some goodies for you! But don't hesitate to bring in a donation. We'll make sure your gift is raffled off that evening so you can watch the smiles. That's a wrap for me. Ride safely. Hope to see everyone at the meeting.

Welcome to Spring!!!

This time of year makes me really happy we live where we do. The green hills, snowcapped mountains, and streams flowing. What better countryside could we have to ride through--add to that the wonderful people we have to ride with and the "Roar of the Pipes". We are very lucky indeed and need to get out and ride.

Hope to see you all out on the road.

Mark Korb, Treasurer

Spring has sprung. The sun is out, and the roads are calling riders to enjoy the weather with friends.

The foothills have some of the best roads to rides around. See you on a ride soon.

Happy New Year!

Peggy - Secretary/Membership

It has been beautiful weather for riding the past few weeks. Our road captains have been putting on some great rides too with more to come. A lot of work goes into planning a ride so come out and support the road captains often. We have two overnights scheduled so far this year too so don't forget to come to meetings to hear about upcoming rides as well as checking the calendar often. Safety Officer Kim is keeping the calendar up to date with rides as the road captains add them.

Our **Membership** for the year is up to 57 members. Charlotte Chapman has agreed to take on the role of Membership Officer and will be handling those duties starting this month. Thank you, Charlotte!

I will continue as Secretary for our Club for the 2022 year. As always, we can use members to step up and become a member of the Board. We are still in need of a Raffle Officer as well as an Activities Officer.

Hope to see everyone at a meeting, event or ride soon!

Peggy, 2022 Secretary
